CME Requirements

There will be sign in sheets at each course that will be providing CME credits. It is your responsibility to do this if you will be applying for credits.

Credits for the Two Day Main Conference requires recipients to check in at the main Registration desk to confirm attendance each day, as you are given 4 credits per day and we have agreed to verify attendance for Westbrook University. If you have any questions on whether or not your organization accepts their credits, please verify this prior to applying.

http://www.cmeweb.com/gstate_requirements.php is a good source to see if your state accepts AAFP credits.

Again, it is your responsibility to ensure that these credits apply to your particular situation.
